PROFESSIONAL SUMMARY

I am a passionate Full Stack Web Developer with experience in building responsive and user-friendly web applications. I am skilled in front-end and back-end development using JavaScript, Node.js, Express.js, SQL, HTML, CSS, and modern web technologies. I focus on creating clean, efficient, and scalable solutions while continuously learning and improving my skills. I have strong problem-solving ability, teamwork skills, and a commitment to delivering high-quality projects on time.
